

Registration for ECI 2018 is now open!

It is our pleasure to inform you that the registration for the **5th European Congress of Immunology (ECI)**, taking place in Amsterdam from September 2-5, 2018, is now open.

We hope that you will join us to exchange your latest research findings and to rejuvenate your overall insights in immunology and clinical translation.

For more information about registration fees and tickets, visit our website.

Deadline for Early Registration:

June 29, 2018, 24:00 (CET)

Preliminary Scientific Program

The scientific program of the **5th ECI** will be structured in five tracks dedicated to the fields of **'Immune development and differentiation', 'Tumor Immunology and Therapy', 'Autoimmunity, Allergy and Transplantation', 'Infections and Microbial Immune Regulation' and 'Immunomics - Technical Advances and Big Data'.**

Our meeting is all about **"Building Bridges"**: linking fundamental and translational immunology, connecting early career scientists to established leaders and bridging gaps between immunology and other disciplines in science.

Details about the **program outline, invited keynote and symposia speakers** can be found on our website!
