

The Faculty of Medicine of the University of Geneva is seeking to fill a position of

**ASSOCIATE or ASSISTANT PROFESSOR
in IMMUNOLOGY**

CHARGE: This is a full-time position in the field of autoimmunity, infection and immunity, or tumor immunology. It will involve undergraduate and postgraduate teaching, as well as supervising Masters' and doctoral theses. The incumbent will undertake research in this area at the highest national and international levels and secure external competitive funding. He/She will also take up administrative and organizational duties within the Department of Pathology and Immunology and the Faculty of Medicine. The incumbent is also expected to show the capacity to engage in collaborative projects with his/her colleagues.

REQUIREMENTS:

Doctorate in medicine and/or sciences (MD and/or PhD) with postdoctoral training or equivalent degree.

Previous teaching and independent research experience.
Publications in leading international journals.
Good knowledge of French would be an advantage but is not strictly required.

STARTING DATE: February 1st 2019 or according to agreement.

Guidelines for applications: viviane.burghardt@unige.ch

Mandatory online registration before June 30th 2018 at:
