

Dear all,

On the 12th of September, 2019 IMMUNONET will host a Basic science network day at Novo Nordisk Fonden, Tuborg Havnevej 19, 2900 Hellerup.

The topic will be **“New leads in Cancer Immunotherapy”**. We will have a keynote speaker at 13:00.

Poster presentations will be in focus, we therefore call for young scientist in the field of immunooncology to submit abstracts in the categories:

1. 'New targets/new leads'
2. 'Translational IO'
3. 'Immunotechnologies'
4. 'Biomarkers'

Abstracts will be selected for a short on-site poster presentation of 4 minutes.

Deadline for abstract submission: August 22nd, 2019, to Mette Wassard Yde
mette.wassard.yde@regionh.dk

Guidelines: max 400 word (+ title & affiliation). Please indicate category (chosen from above)

The program starts with registration at 12:00 and ends at 17:30. The full program will be available at the IMMUNONET homepage: <https://immunonet.dk/>

Registration for the event is open at <https://immunonet.dk/>

Deadline for registration is September 1st, 2019.

We're looking forward to seeing you!

Kind regards,

The IMMUNONET Team
